

REQUEST FOR A CERTIFICATE OF APPROPRIATENESS

Under Monroe's Historic Preservation ordinance, you are required to obtain a Certificate of Appropriateness (COA) for any exterior material change you wish to make to your property if your property is located within a historic district, or if the change would affect property in a historic district. Please see pages 3 and 4, Definitions.

The following steps must be taken in order to have your proposed change considered by the Historic Preservation Commission (HPC):

1. Stop by the Code Office at least 10 working days in advance of the next regular meeting of the HPC (the second Tuesday of each month at 6:00 pm), read the Historic Preservation Ordinance, and request that your proposal be added to the agenda.
2. Fill out the application for a COA and turn it in to the Code Office.
3. Pay the \$10.00 fee. If you request a "special meeting" at some date or time (other than the 2nd Tuesday of every month), the fee is \$50.00.
4. Provide all documentation which will assist the HPC in deciding if your proposed change(s) are in keeping with the historic district standards and guidelines. The more complete your presentation, the more efficiently your request can be handled. Please see the COA application for additional information.

Suggested documentation consists of all architectural drawings, sketches, pictures, diagrams, or actual examples. All documentation should be turned in to the Code Office at the time of your application, as it gives HPC members time to consider your request prior to the meeting. Physical samples, if applicable, should be brought with you to the meeting.

5. Appear at the meeting on the scheduled day and time to present your proposal.

Thank you, the HPC looks forward to considering your request.
